

Roy EL HADDAD

FullStack Engineer

I am a FullStack engineer with around 2 years of working experience. I love design architecture and integration. Writing clean code and following the industry standards is what I consider to be one of my strongest skills along side my interest in the product and business and going beyond the tech.

SKILLS

WORK EXPERIENCE

FullStack Engineer (Apprentice)

Emobot

09/2024 - 09/2025

Paris

Achievements/Tasks

- Packaged all projects into Docker containers to ensure consistency and scalability.
- Built mobile applications using React Native and developed desktop applications with Electron.js, both with and without React.

Junior FullStack R&D Engineer

MotorK

09/2023 - 08/2024

Milan-Paris

Achievements/Tasks

- Designed, implemented, and maintained application features while documenting processes using Confluence and Figma for design.
- Developed functional, integration, and unit tests to ensure software reliability.
- Monitored code quality & application performance using SonarCloud and Grafana; implemented SSO(Keycloak); notification with Mailjet & Twilio.
- Established internal, secure communication between MotorK applications using Kafka and RabbitMQ for scheduled actions.
- Managed tasks in Jira, organized grooming sessions, and structured epics for sprint planning.

FullStack Engineering intern

Soredi-group

05/2023 - 08/2023

Guyancourt

Achievements/Tasks

- Built an application from scratch using the MERN stack, leveraging Figma for design and Confluence for documentation.
- Developed a communication channel for drone-mechanical interaction, ensuring seamless connectivity.

FullStack Engineering intern

MBEDWORKS

06/2022 - 09/2022

Neuilly-sur-seine

Achievements/Tasks

- Migrating a desktop application to a web application while implementing new features to enhance functionality and user experience.

EDUCATION

Software Engineering diploma (Masters, Bac+5)

Universiter Versaille Saint Quentin en Yvellines

09/2021 - 09/2025

Velizy

Computer and Communication Engineering (Bachelors)

American University of science and technology

10/2019 - 08/2021

Achrafier, Lebanon GPA: 3.17/4
